SPECIALTIES:SPECIAL EFFECTS MAKE-UP

Fully trained in make-up f/x both prosthetics as well as out of kit F/X. Having worked on projects such as X Files, Millennium, Dark Angel, 30 Days of Night "Dark Days", and many more I've been able to hone my skills and speed in these areas, saving production time and money.

TATTOOS

Trained in several techniques including Airbrush, Stencil, Appliqué, and Free Hand. Also developed a special technique to cover tattoos that do not fit the scripted characters.

AIRBRUSHING

Fully trained and equipped in all airbrushing techniques. Specializing in Hairline Erasing.

LICENSED ESTHETICIAN (SKIN CARE SPECIALIST)

These qualifications enable me to diagnose and recommend professional skin care products and procedures at wholesale prices. Making sure the actor's skin and nails stay healthy and camera-ready saves production time and money.
