I have worked on numerous commercials and Pop Videos. Those requiring Prosthetics include:

I was trained by the BBC TV. In London and worked for them for 11 years. I have worked as a Key Make-Up Artist (H.O.D.) since 1977. I have worked on many 'Period' productions, many requiring an extensive knowledge of Prosthetics. I have also worked on many commercials and photo-stills sessions over the past 16 years.
